

WHO CAN ADD MONEY TO YOUR ALABAMA ABLE SAVINGS PLAN?

You Can!

Set up regular payments or transfer money from your bank whenever you want (just remember, it has to be at least \$10 each time).

Your Friends and Family Can!

When you set up an online gifting page, friends and family can contribute to your account or debit card. They can also contribute by mailing in a printed gifting form and check.

Ways to Contribute:

You can contribute money via bank account transfer, paper check, and rollover from another ABLÉ plan.
